Type of Meeting: Advisory Meeting

Meeting Facilitator: George Eidel

1. Approval of minutes from last meeting
2. 911 Executive Director's Report
 - A. Addressing progress, questions, and/or concerns, and comments from Director
3. New Business
 - a. Update on New tower – Punkin Center (West Union)
 - b. Update on Archer Fork IRP equipment.
 - c. Ritchie County – Jim White - radio traffic from Cairo Fire Department no emergency transport Ambulance service. This traffic ties up emergency radio traffic in Ritchie County. Cairo Fire Department Ambulance Service provides no emergency service to Ritchie County it a private Ambulance service and shouldn't use Central Communications. My request that a letter to be sent from Central Communications that they no longer use Central Communications for their radio traffic with unit 28 and 29.
4. Adjournment
